2011 Lake Louise Keynotes

Pat Morrow

Mountain climber, photographer and adventurer

Canadian mountain climber and adventurer who was the first person in the world to climb the highest peaks of all seven continents.

Also a successful filmmaker and photographer, Pat's breathtaking work can be seen in Hollywood films such as K2, Seven Years in Tibet, and The Vertical Limit. His work has also appeared on the Discovery

Channel, National Geographic, CBC and the BBC. His many achievements were recognized when he received the Order of Canada in 1988 and the Summit of Excellence at the 1990 Banff Mountain Film Festival.

In 2010, the Alpine Club of Canada and the Association of Canadian Mountain Guides bestowed the honour of inviting Pat to be the patron of the 21st Annual Mountain Guide's Ball.

Having traveled around the world, setting foot upon the highest peaks, Pat captivates and motivates his audiences with his remarkable stories and adventures.
